

## **Delivery and Professional Fees for Hanen *Teacher Talk* Program**

Teacher Talk is a condensed version of the *Learning Language and Loving It (LLLI)* program. It introduces participants to the principles taught in the *LLLI* program. There is no videotaping and coaching component in the *Teacher Talk* program. There are three sections in this program, each being taught over a full day. Participants may choose to do only Training A, Training A plus B or C, or all three sections.

Training A: “Encouraging Language Development in Early Childhood Settings”

Training B: “Let Language Lead the Way to Literacy”

Training C: “Fostering Peer Interaction in Early Childhood Settings”

### **Logistics**

**Location:** Sessions may be held at the preschool or at Shoreline Speech Therapy.

**Scheduling:** Scheduling is flexible. Sessions can take place during the week or on Saturdays. Each session is seven-hours long, including an hour-long lunch break and two 15-minute breaks. Alternatively, a training session can be split into two three-hour half-day parts (with no more than a week between). If choosing this latter option, these half-day sessions can be held in the evening. If a group of participants have registered for two or three training sessions, they can be delivered on consecutive days or with time between (e.g., Training A, B, and C spread across three weeks or three months).

**Group Size:** 12 to 30 participants.
